The morning time is a great time to pray. As the sun rises we have a new opportunity to give ourselves over to God, worship God and make a brand new start. Everything that has happened before has gone. Here we can invite God to speak to us as the day unfolds and offer ourselves - all our gifts and talents - for God to use for our good and the good others. We could just sit for a while, telling the Lord that these two to three minutes are the Lord's and then here is a brief "morning prayer" we might use:

Thank you for this new day.
Help me to live today, hand in hand with you.
