Eternal God, we pray for our home, the USA:

May we be governed by good and wise leaders so that we may live in peace.

May we so hunger for righteousness and justice that your care for the widow, the orphan, the poor and the alien shows through us.

May we be a people of humility, generosity and compassion who care for the weak among us—the unborn, the unfortunate and the elderly.

We pray that we who are the followers of Jesus Christ and his peaceable kingdom, would be a peaceable people seeking to live in peace with one another.

We pray that any hate and acrimony would give way to love and harmony.

Eternal God, please bless America and mend our every flaw.
